Toshiba (Australia) Pty. Limited ABN 19 001 320 421 NB. Toshiba Notebook and EasyGuard features will vary between models specifications. *Toshiba Notebooks are subject to technology limitations. It is important that you understand Toshiba's policy for Central Processing Unit (CPU) performance, non-conforming screen pixels, gigabyte measurement, VRAM capacity, battery life variance, operating system and other specific technologies. For further details and specifications, you are recommended to visit Toshiba's website www.isd.toshiba.com.au or phone Toshiba on 13 30 70 (Australia) 0800 441 615 (New Zealand). *CD/DVD write capability may vary depending on the type/brand of media utilised. *If 4GB is installed, the recognized memory may be reduced (depending on system configuration and memory allocation)†Thickness may vary at certain points on the system. §Terms and conditions apply, see www.isd.toshiba.com.au or your Toshiba Reseller for details. EasyGuard spill resistant keyboard concept will help safeguard the notebook from certain small volume accidental spills and allow users several minutes to close any open files and turn off the machine. EasyGuard shock protection system provides your notebook with a higher impact protection and reliability to your key hardware components. All images are for illustration purposes only. Actual product may vary from image depicted. The product you have selected may not have all the features and specifications corresponding to all of the icons or switches shown in the illustration or in store display. Because of the dynamic nature of this industry, versions, product details and availability are subject to change on a continual basis without prior notice. You are recommended to visit Toshiba's website www.isd.toshiba.com.au or phone Toshiba on 13 30 70 (Australia) 0800 441 615 (New Zealand) or your Authorised Retailer to confirm product specifications, capability, and functionality before purchasing your unit. Specifications subject to change without notice. Trademarks as indicated are registered trademarks and are the property of the respective owners. Toshiba Australia Information Systems Division 10.08
