Power and convenience to go.

Take your home or office PC on the road with you. The Samsung Q1 EX
7" Ultra Mobile Personal Computer features a VIA Nano 1.2GHz CPU and
Windows XP Tablet OS to run your favorite applications, no matter where you
are. Measuring just 8.96" wide and .9" thick and weighing just 1.43 lbs., the Q1
EX is small and light enough to be a business tool you can take anywhere. It's
a computer, PDA, MP3 player and digital camera in one. It's practicality to go.
The Samsung Q1 EX UMPC.

Features:

Powerful PC
With genuine Windows® XP Tablet OS, you can run all the same applications as your home or office computer.

Small and Light
The Q1 EX ultra-mobile personal computer weighs just 1.43 lbs., and measures just 8.9" W x 4.9" H x .9" D.

Easy Connectivity
Connect wirelessly via 802.11 b/g, Bluetooth 2.0 + EDR, or plug into an existing 10/100 BaseTX network. The Q1 EX also features two USB ports, an MS/SD (SDIO)/SDHC port, an audio jack and an AC port.

Camera for Added Functionality
The integrated 1.3 megapixel camera lets you take a picture or video, then email it right away.

Optional Organizer
Dock with the optional organizer to get a touch pad keyboard, mouse button, and integrated VGA and LAN connections, all in an integrated carrying case.
